

New hire instructions

Complete the applicable sections before requesting approval.

Please fully complete all sections of this form related to the change you are requesting. Multiple changes may be requested in a single form. Once the completed form is received, the approval process will begin. Should your request be declined, you will be notified.

- 01** Applicant must apply for a job in Applicant Pro or from the company Careers page.
- 02** Schedule and perform an interview with the applicant. Request any CCP/FP-C or prior/original certification documentation not on DSHS.
- 03** Verify the certification effective date on DSHS and any prior/original certification documentation to determine the pay rate.
- 04** Give a verbal offer of employment to the applicant.
- 05** Inform the applicant they will receive a text/email to complete new-hire paperwork and a background/MVR check online via UltiPro (UKG Pro).
- 06** Have the applicant sign the drug screen form, then administer the test.
- 07** Have the applicant complete the Uniform Sizing Form and send it to the person who orders in your area.
- 08** Take the applicant's picture: no hats, sunglasses, or piercings; include shoulders.
- 09** Submit the PCN as soon as possible to start onboarding. Include drug screen authorization and results, the applicant's picture, and any CCP/FP-C or prior/original certification documents. HR will send the applicant a link for new-hire paperwork and background/MVR via UKG Pro.
- 10** HR will inform the field once onboarding is complete and the applicant is approved to start.
- 11** Add the applicant to the schedule and have the employee clock in on their first day.
- 12** Once NEOP and virtual training are complete, send the NEOP packet to HRHelp@allmh.com.
